Hi Eric,

How are you doing? I hope your surgery went well and you're on the road to recovery.

We've received a CMS letter from Rep. Debbie Mucarsel-Powell of Florida's 26th District. She is expressing scientific concerns that constituents in her community share regarding the Oxitec application for an experimental use permit.

She has quite a few questions. I've created a SharePoint document—do you think you could loop in the appropriate people who could help us answer these? This letter needs to be signed by Alex on 10/21. Please work with your team to answer these by EOD 10/15.

Thank you,

Maya Piper (*she/her/hers*)
